

A Big Welcome to Duane Risser

"I grew up in Bartholomew county and graduated from Columbus North. I then graduated from Vincennes University and graduated last year from Indiana University. In June of 2010, I will have been with Cummins for 20 years, most of those years in the drafting department. I also worked part time at CRH Ambulance as an EMT for 12 years and was a volunteer fireman at Taylorsville for 6 years. I still maintain my EMT certification and am also an instructor for the Red Cross. I have been married to my lovely wife Karla for 18+ years. We have two children, Zachary - 13 and Payton-10 who both attend St. Peter's Lutheran School. I have coached baseball for the past 7 years and have coached football for 6 years with the past 2 years at Central Middle School. I am currently a deputy coroner for Bartholomew County. In my spare time I enjoy reading, traveling, camping, music and doing as much outside as I can. I enjoy helping out in the community and try to find opportunities where I can make a difference." We wanted to send a note of THANKS! The sound booth is going to be put to good use here at Southside. We have relocated the sound booth to my office, the speech office so that I may have easy access to it to conduct hearing screenings. It will certainly help to make hearing screenings more accurate with its ability to dampen the environmental noise. I am happy to say it is up and ready for use! Thanks to you and Kiwanis for thinking of us!
