East Key Club News

- **Project Afghanistan** – We received a thank you letter from our adopted Military Unit serving in Afghanistan, signed by every member of the Unit, for the home made cards we sent to them. We just finished collecting 6 boxes of goodies to send them for Christmas which will be topped off by the home made cookies we’re baking this Thursday (Dec. 2). Meridian Kiwanis has generously offered to pay the \$75 shipping charges for the 6 boxes. Thank you Meridian Kiwanis!
- **Stocking Stuffing** – December 16 we will stuff 50 stockings for needy elderly persons for the Eastside Community Center. The KC members will provide all the goodies, including the stockings.
- **Fundraiser** – We will be selling Reindeer Grams to East students, hoping to raise \$300 to provide Christmas for a single parent family with 2 special needs students. This mom is too proud to accept charity (Cheer Fund, Angel Tree, etc.) but we have a plan to provide help in a way that can’t be refused.
- **Cheer Fund** – December 11th we will be packing boxes for Cheer Fund and getting all the boxes and bicycles organized into their delivery zones.
- **Salvation Army** – We will be helping Meridian Kiwanis with Bell Ringing on December 6th, 11th, and 13th, as well as doing our own day at Sam’s Club on Saturday, Dec. 18th.
- We are also hoping to work in an evening of Christmas Caroling and Party, but we may be running out of open dates....we will see!

We have had 104 students attend at least one KC meeting this year and are averaging 70-75 each week at our Thursday, 7:15 a.m. meetings. To date we have 47 members who have paid their dues. *Come join us any Thursday, Room A128.*
