

Happy New Year

From Our President..... *Lynn*

Welcome to Recent New Members!!

**George Solomon
Nathan Larrison
Lisa Westmark
Brooke Case**

Remember to invite your friends and business associates to Kiwanis.

Important News from Rick Haute, our Lt. Governor

Mid-Year Conference. This is the 1st year for regional Mid-Years instead of one gathering for the whole District. Ours is the Red Area or as it has been lovingly dubbed "The Flaming Red Area". It will be Heartland, Farmland and Rose Divisions as we did for the CLE training. We will be closer to home meeting in Greensburg for the day Saturday February 19th; registration starting at 8AM and the event ending by 4:30.

Bill and Rosemary Sullivan from the Farmland Div. have put together a great day; morning educational sessions, luncheon speakers and afternoon service projects. I would encourage you bring along as many members as possible; I would especially encourage the officers and committee heads to attend. There will be something for all; new friends, new ideas and new adventures. I would also encourage you to invite your Key, Circle and Aktion Clubs; if possible pay their way and provide transportation. There is also special pricing for partners and guests; what a great way for them to experience our Kiwanis organization. If you are interested in attending, please let me know. Lynn

We had a productive meeting on the 6th with the committees. I have attached the list of committees and their members. Thanks to all for agreeing to work on these committees. We are looking forward to good things this year.
