I have raffle tickets (Path to a Cure) They are \$5.00 each or 5 for \$20.00 We have until July 15th to sell them. See me for raffle tickets.

Also....We have received the results of the survey that was completed by our members. In most areas, our club is moving in the right direction, but there is also room for improvement in some categories, such as increasing involvement in community projects, publicizing information on activities and community involvement activities, along with, of course , increasing diverse membership. We will review this survey at a later date.

Please keep our member Jeremy Adler and his family in your thoughts and prayers. Their son, Carter, was born with a disease that severely impaired the development of his lungs. They have spent a lot of time in Cincinnati and still have a long road ahead of them.
